Agencies will return to the vendor any invoice which reflects incorrect pricing.

For State Agencies, Microsoft Software is to be ordered through contract AR1429 with Dell. Software orders are to be placed on a separate purchase order per instructions on that contract. Contact the Gateway account executive if software is to be loaded by Gateway. There is a \$15.00 software loading fee which may be discounted for larger orders.

CONTRACT INFORMATION

PLEASE NOTE: If you fax an order to Gateway and send a hard copy of the same order, please indicate "COPY" on the order and the date it was faxed. This will help eliminate duplicate orders.
